Give your dreams the attention they deserve

Sit back and dream. Dreaming is the first step toward designing the perfect celebration. Celebrity allows you to be the architect of your dreams by offering almost endless options. Believe it or not, visualizing your dream will be one of the most important parts of your planning. Everything starts with an idea, a dream.

Think outside the box and pay attention to detail. Designing your big day is a creative process and the details are what make your wedding uniquely yours. The clearer your vision, the simpler you'll find the planning of your dream into a reality.

Whether it is planning your dream wedding, a modern commitment ceremony, or recapturing feelings with a Captain performed wedding or vow renewal at sea; dreaming is the earliest stage of planning where every option is possible.

So let's dream a little...

Before your cruise

- Dream up your own personal theme and send out Save the Dates to notify family and friends to join you on your cruise. Contact our Enhancements Department to help get you started.

Arrival in your cruise port

- Have a rehearsal dinner or a welcome reception to get the celebration started and to introduce family and friends to one another.

Welcome aboard the ship

- Host a Sailing-Away or Welcome Party
- Host a Welcome Reception- give it a theme
- Place a gift on each guest's pillow at turndown

Get together

- Ladies: Celebrate with a "Bridesmaid Tea Party" or "Champagne Party"
- Gentlemen: Celebrate with a "Whiskey Tasting"

The big day

- Mingle at a pre-ceremony cocktail reception
- Rejoice with a beautiful ceremony
- Celebrate during your fun and creative reception
- Entertain with dinner in the Specialty Restaurant

Say "Thank You"

- Offer a breakfast brunch the day after your wedding
- Send sweets to each guest's stateroom on the last night of your cruise

Planning stage: 60 days to 1 year prior to your wedding

Think of your wedding as a movie. Like any award winning film, a wedding has intensity and meaning, prelude with a dramatic moment that builds up to an exciting climax and satisfying end. When planning, take an imaginary journey through your wedding scene by scene. Incorporate the ideas created during your dream stage and imagine how you'll feel at each moment of each scene. Conceptualize each scene of your wedding as you plan, from arriving to your cruise port and boarding the ship, to the vows, music and cuisine throughout the wedding and honeymoon.

Step 1 - Gather all your information

Review your Celebrity Cruises Travel Brochure and "Celebrity Weddings" Brochure. Remember, the bride and groom must be sailing to hold a wedding onboard a Celebrity vessel.

Step 2 - Decide on a wedding date

- Contact us at **CruiseShip-Wedding 1-604-466-2620**.
- We will call the "Celebrity Weddings" department to check availability of your wedding date. Your event manager can place your date on a courtesy hold for three (3) business days. The hold will automatically cancel if payment has not been received.
- Confirm with your event manager that the courthouse on your wedding day will be open as some courts are closed on local and national holidays and some weekends.

Step 3 - Place a deposit on your cruise with CruiseShip-Wedding

- Discuss flight, hotel and transfer options.
- If you are being married on the day of sailing, we strongly encourage you and your guests to arrive at least one day prior to your wedding.
- Gather information about pre and post hotel packages.
- All wedding couples and their guests with a wedding on the day of sailing are requested to be at the pier by 10:30 AM (varies by port of call). Celebrity transfers may not be available for wedding parties from the hotel/airport to the ship due to time constraints.

Step 4 - Call the "Celebrity Weddings" Department to book your Wedding

- Your cruise must be booked prior to your wedding.
- When booking your wedding, you will need your cruise reservation number.
- Full payment for the wedding package and marriage license is due at the time of booking in order to reserve your wedding day. Please be sure to review the cancellation policy.

Step 5 - Complete your wedding paperwork and return it to the "Celebrity Weddings" Department

- After you book your wedding, your event manager will send you guidelines for your selected wedding destination and a contract. Once your signed contract is received, your wedding will be officially booked.

Step 6 - Create your wedding guest list

- Send out a "Save the Date" announcement with cruise details to your guests who will be attending the wedding.

Step 7 - Contact your event manager to plan details

- Your event manager is available to answer questions at anytime during your planning stage.

Once the wedding has been reserved, Celebrity will send the bridal couple detailed marriage license requirements. All applications and appropriate documents must be received sixty (60) days prior to the sail date to avoid late fees. All prices listed are starting package pricing and are in US Dollars. Important Guidelines

Booking:

Please reserve your wedding date and customized selections early. Due to the individual care "Celebrity Weddings" event managers give each wedding, we are limited in the number of ceremonies that can be coordinated on each ship and at each port of call. All ceremonies and receptions are reserved based on availability. Ceremonies may only be held without payment for seventy-two (72) hours. To avoid a \$250 late fee, please arrange your wedding at least sixty (60) days prior to the sail date of your cruise vacation. Our "Celebrity Weddings" event managers will work with you to create the perfect wedding that suits your individual style. Your wedding date will be reserved as soon as full payment for your wedding package and a signed contract is received. Wedding arrangements may be paid in US Dollars by credit card, travel agency check, certified check or international money order. Visa, MasterCard, American Express and Discover are also accepted.

Once your wedding is confirmed with payment and a signed contract, a wedding reservation can only be rescheduled outside of sixty (60) days prior to the sail date. If you need to reschedule the date of your wedding for any reason, it is subject to availability and a rescheduling fee of \$250.

Due to the limited availability of some services, "Celebrity Weddings" encourages couples to book custom options as soon as choices are made. Enhancements will be confirmed upon full receipt of payment. Additions and changes may only be received up to forty-five (45) days prior to the sail date of your cruise vacation.

As a complimentary service provided by Celebrity Cruises, wedding parties may have up to ten (10) non-sailing guests in attendance at the wedding ceremony. If there are more than ten (10) non-sailing guests, a reception package must be booked. Additional cake and champagne does not constitute a reception. If a reception is booked on the ship, additional non-sailing guests may attend the ceremony and reception. Please note that in some ports of call, non-sailing guests are not permitted to board the ship due to security restrictions.

Wedding parties with a reception may have a maximum of one hundred and fifty (150) non-sailing guests board the ship for their celebration. Wedding parties with 25 - 50 guests require the services of an additional Wedding Coordinator and will be charged starting from an additional \$150 US Dollars depending upon the port. For each additional twenty-five (25) guests, "Celebrity Weddings" requires the services of one additional Wedding Coordinator. Couples who choose to have a destination wedding ceremony may purchase an onboard reception following their ceremony. There is an additional fee of \$150 US Dollars as onboard receptions require a Wedding Coordinator.

Please be advised that in the event of strikes, lockouts, riots, weather conditions, change of itineraries, missed ports, mechanical difficulties or other unforeseen circumstances, Celebrity Cruises may at any time and without prior notice cancel, advance, postpone or deviate from any scheduled sailing or port of call. "Celebrity Weddings" shall not be liable for any loss whatsoever incurred by reason of such cancellation, advancement, postponement or deviation. Please refer to Celebrity's brochures and cruise ticket contract for additional terms and conditions regarding your cruise vacation.

Luggage:

It is extremely important the wedding party personally carry all items onboard that are to be used in the ceremony. This includes the tuxedo, wedding dress, shoes, jewelry, etc. for the entire wedding party (bride, groom, bridesmaids, groomsmen). Security will only allow one small carry on and a garment bag per person. Luggage checked with the luggage handlers may not arrive in the stateroom until well after the ceremony.

Important Guidelines

Boarding:

Priority boarding is provided for bridal couples (as well as their guests) who are being married on the day of sailing. If you have not registered online, please have your cruise documents completed prior to arriving at the cruise terminal. All wedding couples must present themselves to the Wedding Coordinator to check in and to be escorted to the ship. There may be lines for regular passengers to check-in and to board the ship, therefore, checking in with the Wedding Coordinator is the only way we can ensure bridal couples and their guests do not wait in line unnecessarily. The boarding time is controlled by U.S. Customs and Immigration. No one is permitted to board the ship until U.S. Customs and Immigration clear the ship. A Wedding Coordinator will greet the bridal party and guests at the security desk inside the terminal area and escort them onboard ship and then escort the couple to their stateroom. Couples may board as soon as US Customs clears the ship, which is typically between Noon and 12:30 pm. All sailing and non-sailing guests will receive special priority check-in, provided they arrive at the pier by 10:30 am. Non-sailing guests will not be able to purchase food or beverages while onboard the ship or at the cruise terminal.

Wedding Locations and Times:

Ceremony times, locations and specialty restaurants are assigned according to the requirements of each wedding or onboard event. Deck weddings can be requested, based on the captain's approval, guest size and weather conditions. Times and venue will be confirmed approximately two (2) weeks prior to the sail date of your cruise vacation. According to the number of guests, weddings are performed in the ship's library or in one of the ship's lounges. For safety reasons much of the furniture onboard is anchored in place and therefore cannot be reconfigured. Wedding decorations for the ceremony include two (2) white columns and two (2) silk flower arrangements. The type of reception purchased determines the length of time allotted for a reception. In some ports, reception times may be limited. For more details, please check with your event manager.

All ceremonies are civil ceremonies performed by a government-approved official. At Sea weddings are performed by ship's Captain.

Hurricane Policy:

In the event of an itinerary change due to a hurricane, we will make every effort to reschedule a symbolic ceremony for you onboard the ship or in another port of call. The Ceremony will be symbolic due to the fact that we may not have enough time to obtain a new marriage license. Compensation will not be provided for either option nor will a refund be provided should the couple decide to decline either of these options. Celebrity Weddings strongly recommends the purchase of wedding insurance.

Itinerary Changes:

When we are not in hurricane season, the following will apply: If possible, we will try to schedule the wedding at another port of call depending on the ship's itinerary. If the Couple opts to have their wedding at the new port of call, the ceremony will be symbolic due to the fact that we may not have enough time to obtain a new marriage license. The Couple may also opt to have a symbolic ceremony onboard while the ship is sailing. No compensation will be given for either option. If the Couple decides not accept either of these options and prefers not to proceed with the wedding, no compensation will be given.

Cancellation Policy:

For a refund of your wedding or ceremony enhancements, "Celebrity Weddings" must receive notice of cancellation in writing no later than sixty (60) days prior to your sailing date. Marriage license fees are non refundable. A refund, less \$500 US Dollars administration fee and the license fees, will be issued. Refunds will not be granted for cancellations made less than sixty (60) days prior to sail date.
